

Just when I thought it couldn't get much worse, it seems I was wrong. I believe the evil in our country has sunk lower than that of Sodom and Gomorrah. I read yesterday of the man who wants a uterus so he can be the first transgender woman to have an abortion. The link:

This goes beyond perversity. I don't even know how to describe this kind of deviance. The scripture says, **"I Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship."** (Romans 12:1 NIV) Yet, here we see a human being totally sold out to satan—presenting his body for the kind of evil which would have been unimaginable in America until recently.

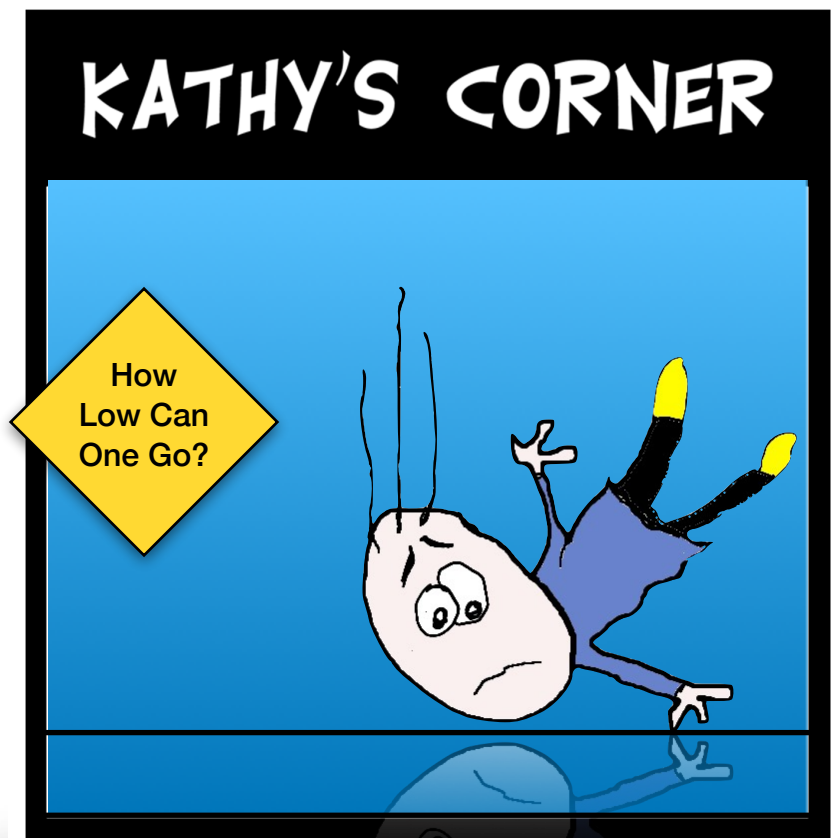

I remembered, **"The Lord observed the extent of human wickedness on the earth, and he saw that everything they thought or imagined was consistently and totally evil."** (Genesis 6:5 NLT) This was just before the flood. I told God that I understood if he decided to destroy us, momentarily forgetting His promise—**His Rainbow**—a covenant not to wipe out the whole world with a flood again, but certainly we won't escape judgment.

Can we even expect to be able to reason with people like the person mentioned in this article? I think this mind is beyond reason—totally controlled as was Judas when satan was using him. I hope he comes to repentance before it is too late. Thank God for His mercy and provision, His patience, and His people. There are still many believers—God lovers, in the world. There are still some innocents in the world. There is still hope. How much longer? I don't know, the way things are going?

If there ever were a time to worship God, it's now. If there ever were a time to lift up Jesus, it's now. If there ever were a time to praise Him and tell others who He is and what He's done and is doing, it's now. The time for being silent is over. If there is to be another revival, it will require us boldly following the lead of our Holy Spirit in prayer, in speaking, and in our actions. He is the Faithful One in our lives. Others need to know.

**"Some of you will rebuild the ancient ruins, will raise up the age-old foundations, will be called Repairer of the Breach, Restorer of Streets for Dwelling."** (Isaiah 58:12 TLV)

**“For the weapons of our warfare are not fleshly but powerful through God for the tearing down of strongholds. We are tearing down false arguments and every high-minded thing that exalts itself against the knowledge of God. We are taking every thought captive to the obedience of Messiah—ready to punish all disobedience, whenever your obedience is complete.”** (2 Corinthians 10:4-6)

We might be tempted to despair over the way things appear to be going, but our hope is in our God. He is with us. He sees everything. He is all-powerful, and nothing is out of His control. There is a season for everything. In His wisdom, time and power, He will move. We worship our amazing God, pray, allow Him to use us as His vessels—all under the lead of Our Lord!
