

DEMONS & THEIR KINGDOMS

Ask God for the Gift of Discernment of Spirits
(1 Corinthians 12:10)

Review-

- To be demonized= to be afflicted by demons
- Jesus may own your spirit, but areas of your personality/mind/will/emotions may be demonized.
- Jesus never separated healing and deliverance because many who needed healing were demonized like the woman bound by the spirit of Infirmity that kept her doubled over in pain (Luke 13:10-17)
- The first miracle recorded in Jesus' ministry (Mark 1:23)
He didn't put the man out of the synagogue, he put the spirit out of the man.
- Jesus did not randomly deal with demons. He dealt with them regularly and never separated preaching and deliverance.

Scripture References
